EXPERIENCE

Intern at MII Foundation

January 2025 - April 2025

Role - Software Development Intern (ERP Portal)

Indore, Madhya Pradesh

- Collaborated with a cross-functional team to develop an ERP Portal using MERN stack and MySQL for Medi-Caps University.
- Contributed to real-time feature development, testing, and documentation aligned with software industry standards.

PROJECTS

ERP Portal | [React.js](#), [Node.js](#), [Express.js](#), [MySQL](#)

Jan 2025

- Developed scalable ERP modules for Admin, HR, and Employees with role-based access control and interactive dashboards.
- Implemented MySQL database integration for complex queries, data validation, and optimized performance.

OmniRental – Rental Management System | [MongoDB](#), [Express.js](#), [React.js](#), [Node.js](#)

2025

- Built a full-stack MERN rental management platform with tenant-owner roles and secure JWT-based authentication.
- Designed protected routes and role-based dashboards using React Router v6 with a responsive Bootstrap UI.

Personal Portfolio Website | [HTML](#), [CSS](#), [Bootstrap](#), [JavaScript](#)

2022

- Designed and developed a responsive personal portfolio website to showcase projects, skills, and achievements using Bootstrap.
